

# Saudi Climbing and Hiking Federation Licenses and Memberships *(2nd Edition)*

# Conditions

- All licenses and memberships are subject to termination indefinitely for any violation or misuse of any of the Saudi Climbing and Hiking Federation licenses or memberships without any refund.
- Applicants must meet the set requirements for the requested license or membership to obtain approval.
- Application process takes a max of 15 business days if all documents requested are uploaded and payment is completed on time. Failure to do so, could cause delay in the process of the application.
- All Licenses and Memberships validity date is for 1 year (12 months), unless specified otherwise. However, for licenses, the expiration date of the license card will be 1 year from payment confirmation, or 14 days after the earliest expiration date of any of the required document for the license. Whichever date comes first.  
If the renewed document is sent to us before the 14 days deadline, a new license card will be sent to the applicant with an updated expiry date ( the updated expiry date will be the next expiry date of any of the required document for the license or the end of the 12 month license date).  
If the expired documents have not been updated before the 14 days deadline, the license will be terminated without any refund.
- Applicant is not licensed or a member until payment has been finalized and an official email has been sent to the applicant by the Saudi Climbing and Hiking Federation stating so.
