

Saudi Climbing and Hiking Federation Memberships *(1st Edition)*

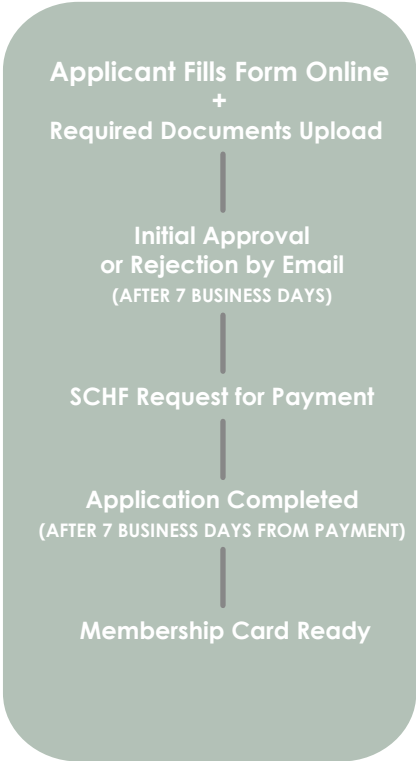

Conditions

- All memberships are subject to termination indefinitely for any violation or misuse of any of the Saudi Climbing and Hiking Federation memberships without any refund.
- Applicants must meet the set requirements for the requested memberships to obtain approval.
- Application process takes a max of 15 business days if all documents requested are uploaded and payment is completed on time. Failure to do so, could cause delay in the process of the application.
- All Membership validity date is for 1 year (12 months). However, for Professional Membership, the expiration date of the membership card will be 1 year from payment confirmation, or 14 days after the earliest expiration date of any of the required document for the membership. Whichever date comes first.
If the renewed document is sent to us before the 14 days deadline, a new membership card will be sent to the member with an updated expiry date.
If the expired documents have not been updated before the 14 days deadline, the membership will be terminated without any refund.
- Applicant cannot guide, instruct, or operate a climbing wall before receiving the card.
